## Happy Birthday Dr. Seuss!

The children have been busy celebrating and discovering the many books written and illustrated by one of our favorite authors, Dr. Seuss! We had great fun reading the silly literature, creating funny hats, forming our own witty Seuss-like phrases, and of course making and eating "Green Eggs and Ham".

### What's next?

When we return from Spring Break, we will begin a 6 week discovery of spring as we explore how things grow. Let's hope we start to see the seasonal weather to go along with it!

The Student Interns will also begin carrying out their lesson plans!

### What are we reading?

If you are interested in reading theme related books to your child to extend their learning, here's a list of our Dr. Seuss favorites:

*Green Eggs and Ham*

*The Cat in the Hat*

*One Fish Two Fish Red Fish Blue Fish*

*The Foot Book*

*Fox in Socks, Hop on Pop*

*The Lorax*

### Also:

*Go, Dog. Go!* by P.D. Eastman

*Are You My Mother?* by P.D. Eastman

*Put Me in the Zoo* by Robert Lopshire

*A Fish Out of Water* by Helen Palmer

## Bundle Up!

The teachers have continued to extend our curriculum outdoors. Daily play outside gives the children an opportunity for large muscle activities, a change of environment, and a balance in play and routine. Did you know that the chance for spreading infection is actually reduced outdoors?

All children need to play outside, even in the winter!

We will continue to take the children outside each day.

Please provide warm, outdoor clothing including hats, mittens, boots and snow pants.
